20W Remote Controlled Cell Phone Jammer with Directional Panel Antenna

2019/07/17

Product Description Ever thinking that a cell phone jammer can work continuously for 365 days? Then if you know the 20W Remote Controlled Cell Phone Jammer with Directional Panel Antenna, you will know with the remote control and AC adapter this device can work continuously. And since it owns a 20W output power and external directional panel antennas, the shielding radius of it can reach 60m. Besides with the remote control you can open and close the jammer easily, which is really convenient. What's more, all the TX frequency covered down link only. Such cell phone jammer can be used in places like meeting rooms, conference rooms, museums, galleries, theatres, concert halls, churches, temples, factories, banks, trains, bus and more. But for some special places like hospitals and gas stations for special purpose, you'd better test first to make sure no interference happened to the normal operation of their equipment and instrument. If you want to buy one and know more information, just come here, contact us, then we will offer you the high quality product at the best price. Just go ahead and add one to your cart.
